

### Legacy Hardwood

When it comes to hardwood, we only want the best. We've hand-selected high quality, durable, flexible birch and hickory boards for these series and then individually hand-scraped each piece to create a unique, rustic feel. We offer a nice selection of colors through our multi-staining process and enhance the depth and detail found in natural wood. You'll fall in love with the beauty of Legacy Hardwood.

#### Badlands Series

Basin LHW-BADB12704

**SIZE:**

5" X 11" to 47" X 3/8"

**WEAR LAYER:**

1.5 mil Rotary Peel
